About us

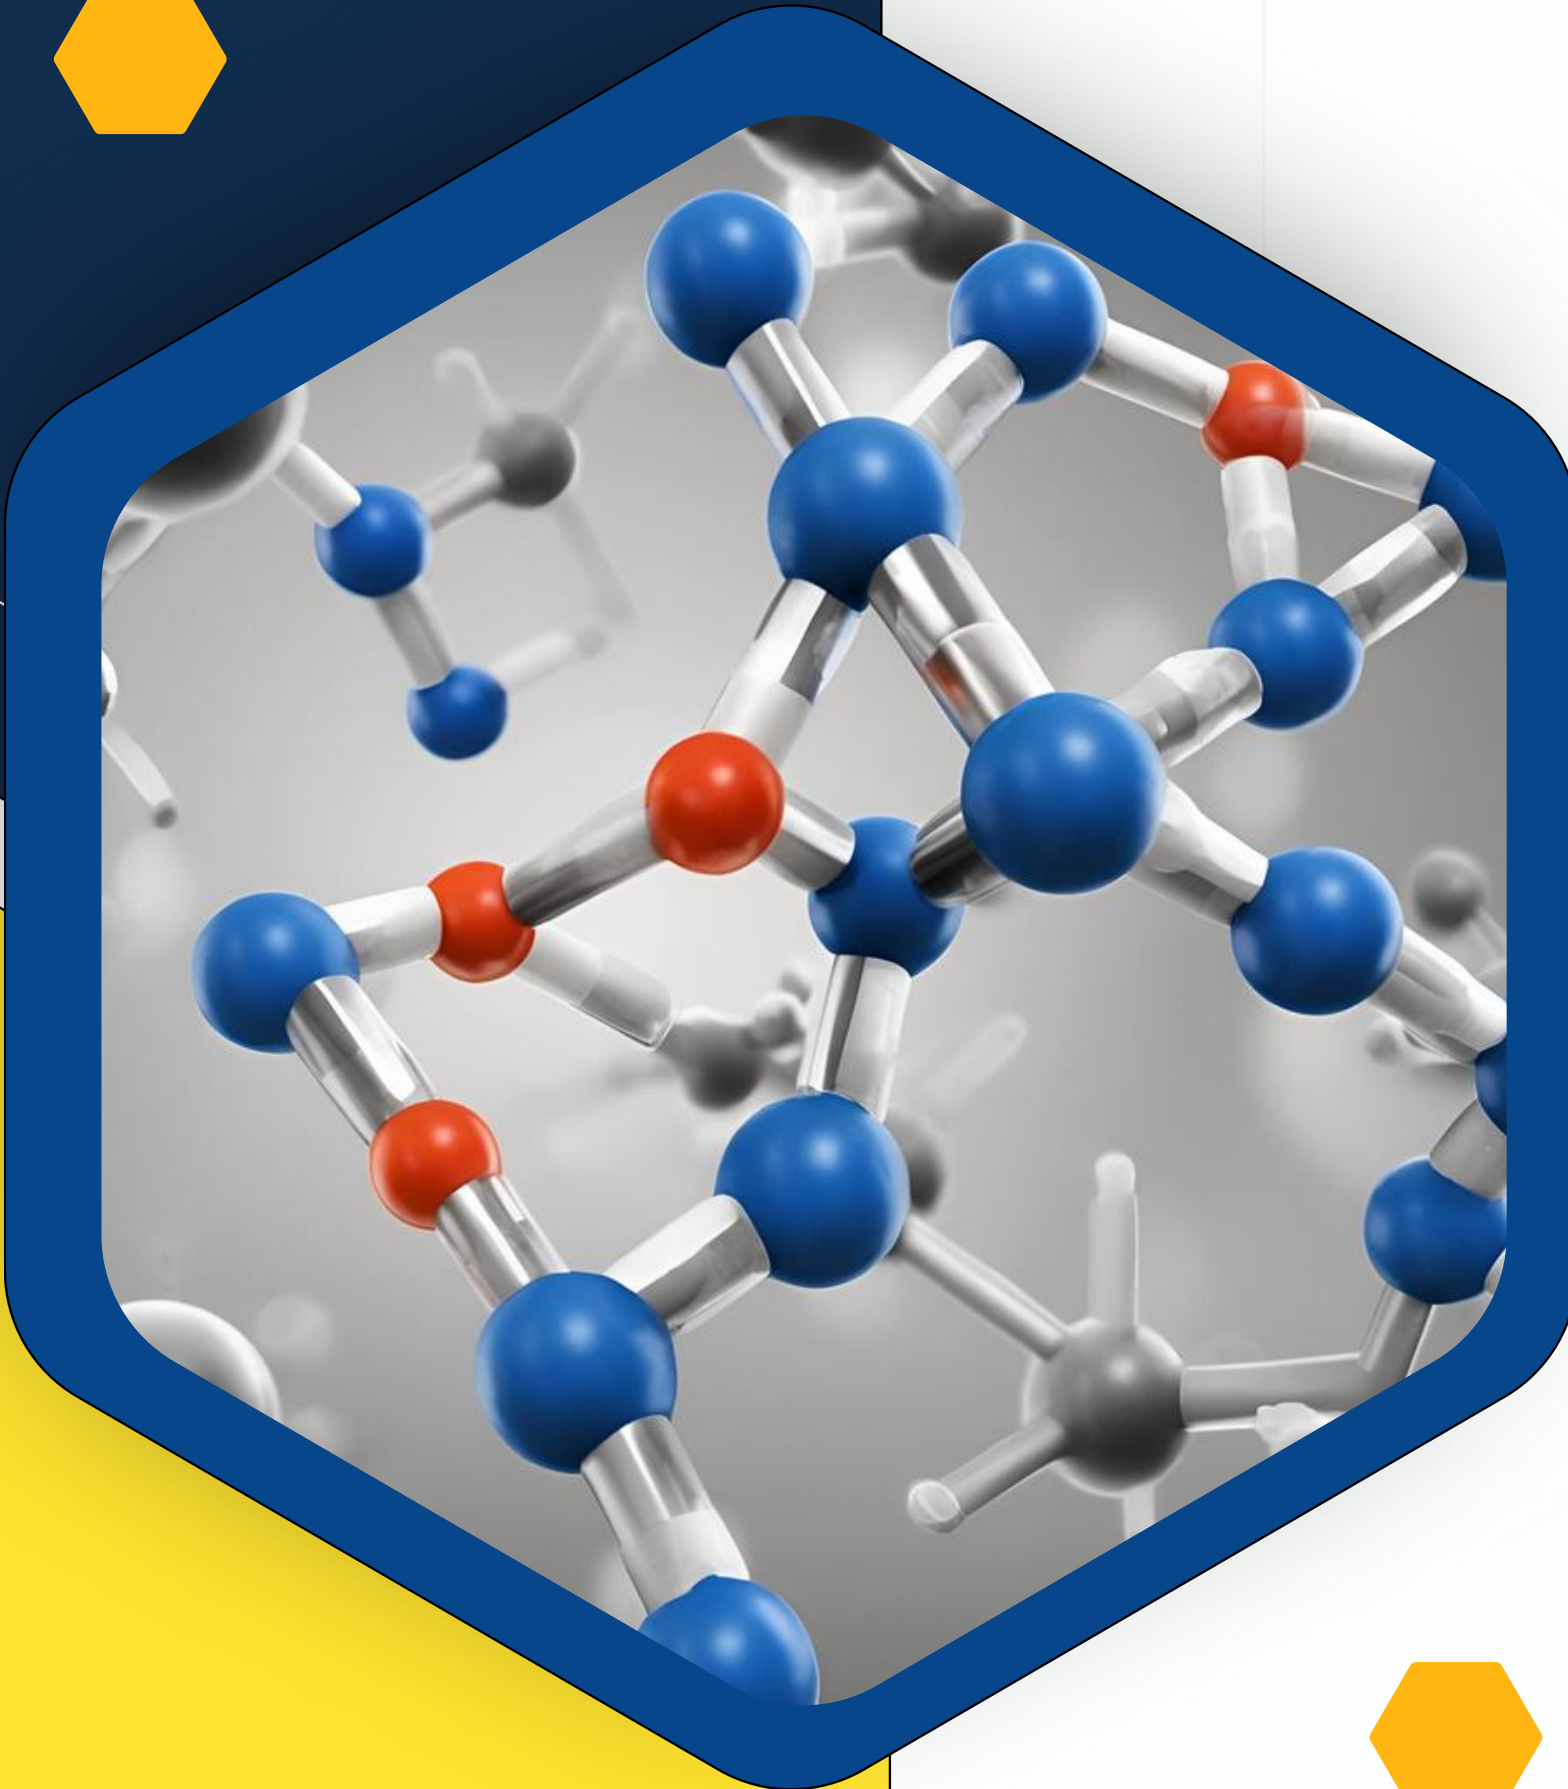

Established in the year 2021 in Al Jubail Saudi Arabia. Specialized in Industrial Solutions for Oil & Gas, Petrochemical, Refineries, Mining Industries and Municipal. We provide end to end solutions for Water, Waste Water , Bulk and Specialty Chemicals.

Technical Consultancy in Sustainable Solutions, Safety, Applied AI, Process Engineering, Digitalization, Data Analytics.

EPC, Contracting, Electromechanical, Instrumentation, Fabrication and Shutdown& Turnaround Solutions.

API & Aramco approved Material Supplies for any Industrial requirements.

World Class Partners from USA, India, Saudi Arabia, Europe and Australia

Our Vision and Mission

Our Vision

ALIGN WITH SAUDI ARABIAN VISION
FOR SUSTAINIBILITY AND ENERGY
TRANSITION

Our Mission

PROVIDE INNOVATIVE HIGH-QUALITY
SOLUTIONS FOR INDUSTRIAL
EXCELLENCE

SOLUTIONS & SERVICES

Chemicals

- Specialty Chemicals for Water & Process Treatment
- Bulk Chemicals
- Local Manufacturing & Blending
- Offspec and By-Products offtake

Environmental

- Water, Waste Water, Process Treatment
- Zero Liquid Discharge
- RO, STP
- Oily and Hydrocarbon in Water Treatment
- Spent Caustic Treatment

Consulting & AI

- Technical Consulting in Sustainability, Reliability, Safety, Applied AI, Digitalization, Process Engineering, Energy Management, Net Zero, ML AI based Digital Solutions, Data Analytics Decarbonization
- Technical Manpower

Electromechanical

- Mechanical, Electrical and Instrumentation Services
- Fabrication
- EPC
- Shut down & Turn Around Solutions
- Manpower
- Rentals
- Prefabricated Tanks

MAJOR PARTNERS

US Conglomerate and the fastest growing Water Treatment Technology Company. Gradient solutions are end-to-end scalable, designed to integrate seamlessly with our proprietary AI platform, and proven across a broad range of industries.

Product ranges from

Water & Waste Water Recycle

ZLD, MLD

Brine Treatment

Specialty Chemicals for Water, Waste Water and Process

Dealination

Chlorine Dioxide

Engineering Consulting Company with HQ in USA. Having its footprints in most of petrochemical, refineries, mining, O&G industries it is one of the largest in the world.

Specialized in

Sustainability

Reliability

Applied AI

Safety

Process Engineering

Decarbonization

GULF CHEMICALS AND INDUSTRIAL OILS CO.

Gulf Chemicals & Industrial Oils Co. is one of largest manufacturer of different grades of Alkyd Resins, Unsaturated Polyester Resins, Special Oils, Transformer Oils, Re Refined Base Oils, Wash Oils, White Spirit, Odourless White Spirit, Odourless Kerosene and Aromatic Solvents. The company supplies its products to almost all manufacturers of Paints and Coatings, Synthetic Resins, Fiberglass Pipes and Boats, Electrical Transformers, Construction Chemicals, Industrial Degreasers, Inks, Insecticides, Aerosols, Marine Well Drilling Companies and Bitumen Based Products in and around GCC, MENA and the Indian Subcontinent.

COEP PREFAB having manufacturing in India and offices in Australia design, manufacture, and install:
Zincalume/Colorbond Steel Bolted and Lined Water Tanks

Galvanized FM Global Approved Tanks (can be epoxy coated)

Glass Fused Tanks (GLS) Water Tank Liners

NFPA 22 Approved Tanks

FM Approved Tanks

Global Inspection, Installation and Tank Refurbishing Services

Standing at the forefront of manufacturing, our offerings span across Fertilizer Additives, Mining additives, Phosphoric Acid plant additives, Plasticizers, and Specialty Chemicals. Our solutions, meticulously crafted, tackle diverse challenges with cutting-edge technologies and exclusive formulations. Rooted in unwavering dedication to quality and sustainability, we cultivate enduring collaborations, fostering mutual growth and success. Join us in forging new frontiers and realizing unparalleled excellence together.

Fertilizer Additives

Phosphoric Acid Additives

Mining Additives

Plasticizers

Plant Solutions is a company based in Saudi Arabia that specializes in Mechanical, Electrical, and Instrumentation projects, as well as Turnaround solutions within the Petrochemical, Refinery, Chemical, and Power plant sectors. We engage in various multi-discipline activities related to, Mechanical, Instrumentation, Fabrication, Civil, Manpower and Communication solutions.

Our commitment to professionalism and timely completion of Shutdown and Turnaround solutions provides significant benefits to the industries we serve.

THANK YOU FOR YOUR ATTENTION

If you have any further questions or would like to explore opportunities to work together, please don't hesitate to reach out to us.
